### Resources Needed:

- Large Flashcards

### Activity Description:

This activity will increase student awareness of activities people do in the workplace setting.

### Lesson Guidelines:

- To begin the game, ask the class to call out a job title.
- Ask for activities or actions that a person in that job would do. (Mime examples for the students.)
- Highlight a different activity on each photocopy of Activity 2-3 Worksheet.
- Ask the students to get into pairs, give them a Worksheet and ask them to keep their underlined activity a secret. Ask each pair to draw their activity on a card.
- Ask pupils to perform their activity in front of the class. The first pair to guess the activity being performed comes to the front and acts out theirs.

### Activity Enhancements:

- Ask the pair that correctly guessed the activity to think of a job that would involve that activity.
- List the jobs for the students and have them create their own "Job Booklet." Revisit these job titles on occasion and add new ones to the list.
